Booth Space

Each vendor will be reserved a large booth space by the picnic shelter outside. **PLEASE BRING EVERYTHING YOU WOULD NEED TO BE COMFORTABLE (TABLE, TENT, CHAIRS) as we will be outside- it can get windy!**

RULES

Vendor set up with be open on Sundays at 8:30 until 9:45am.

Please do not arrive to set up before 8:30am. Packing up and leaving before 3pm is not allowed as this hurts us all, it creates a chain reaction and gives customers the wrong impression, it may cause everyone to lose customers. Some circumstances may be accepted such as emergencies etc. If you sell out you are required to stay so there are no gaps among vendors.

We want the experience for everyone to be awesome, vendors who are unethical, copying other vendor's products & ideas without permission, bring inferior products, are rude, have discount clearance sales, or receive complaints from customers and/or other vendors may not be permitted to come back to future events at the discretion of the board.

Cancellations & No Shows – Please allow us as much time as possible for cancellation to adjust the market layout. If you must cancel last minute, please call Erica at 204.619.2782

We are a Team!

Only one representative from each MLM company will be allowed in the Cooks Creek Country Market, so make sure you book early!

We are all self-employed and/or work at different places but at the market we are co-workers! All Vendors must work as a team to keep the site tidy. Please notify event personnel for any issues such as full garbage cans and assistance with set-up or take down or any other site concerns.

LOCAL LOCAL LOCAL!!!

All vendors are encouraged to help educate customers on the benefits of buying & eating local during conversations at your booth and help each other by recommending each other's products.

To go along with our mission - prepared food vendors are encouraged to use as much locally sourced food as possible.

Local Community groups are welcome to have a booth at regular charge and will still have to reserve your spot in advance as well as bring their own table/tent. This can be to promote local non-profit organizations, sell fundraiser tickets, events, and sports teams, hold member registration, etc.

As we are supporting community economic development and buying local, business owners in the RM of Springfield who have a store/office in the community are allowed to have a booth, they will need to pay the \$35 entrance fee and pre-book as all other vendors as required.
